

Institute of Anatomical Sciences Travel Bursary Application

Please read the information below before completing this form.

Please complete all relevant sections of the form in **BLOCK CAPITALS**.

Section 1 – What is the Institute of Anatomical Sciences Travel Bursary

“...A fund of approximately £500 is available to all FULLY PAID UP MEMBERS of the Institute (of any age or nationality) to encourage their attendance at IAS conference or other scientific meetings; to encourage international collaboration; or to provide funding to further their educational needs. This £500 may be awarded in total to one individual or may be shared between applicants. Non Members or members who are not paid up shall not be eligible to apply”.

Applications are invited for a travel bursary that is to be awarded by the Institute. The purpose of this award is to support academic work by: allowing overseas and UK members attendance at conferences and meetings; encouraging international collaboration; involving research of high merit; or supporting studies such as members who are studying for the Diploma in Anatomical Science.

Applications, giving details of the proposed trip (including estimated total cost and any other support anticipated), should be received by the Executive Secretary. All applications will be issued with a number to anonymise the applicant and a sub-committee of Council will vet all applications on the basis of likely academic benefits. An individual will not normally receive more than one award every three years. The Institute reserves the right to make no awards. The decision of the Council is final. The successful applicant will be expected to write an article or paper for publication in the IAS newsletter or Journal giving a report on their visit or experiences. The size of this article should be comparable with a Diploma (DATS) integrated module write-up (2000-3000 words).

Section 2 – Your Details

Name of applicant:

Title (e.g. Ms/Miss/Mrs/Mr/Dr): Membership Number

Professional Address:

.....

.....Postal Code:.....
